# SANCON- 2024

*Advances in Anesthesia*

**23<sup>rd</sup> Annual Conference of Society of Anesthesiologist of Nepal**

**29 to 30 March 2024  
Hyatt Regency Kathmandu**

## ABOUT EVENT

The Society of Anesthesiologists of Nepal (SAN) is delighted to announce its 23rd Annual Conference, SANCON 2024 to be held from 29th to 30th March, 2024 at Hyatt Regency, Taragaon, Kathmandu. This prestigious event brings together experts, professionals, and enthusiasts in the field of anesthesia, critical care and pain medicine. The conference serves as a platform for knowledge exchange, networking, and discussions on the latest developments and best practices in the field.

The conference city, Kathmandu, which is the capital city of Nepal, is a captivating blend of ancient traditions and modern aspirations. Visitors can explore the UNESCO World Heritage Sites such as Swayambhunath (the Monkey Temple) and Durbar Square, or embark on thrilling adventures in the nearby Himalayan mountains. The city is also renowned for its diverse traditions and cultures. You savor a wide variety of food, from momo dumplings to flavourful curries, and experience the unique culinary delights of the region.

### Event Highlights

- Keynote speaker
- Panel Discussions
- Scientific Sessions
- Workshops

- 30 + International Speakers
- 100 + National Speakers
- 300 + Participants

Dear Friends  
and Colleagues

Warm Greetings Namaskar !!!

Once again I am really feeling great and truly honoured with immense pleasure to invite you all to the 23rd Annual Conference of SAN, Society of Anesthesiologists of Nepal SANCON 2024 to be held on 29-30 March, 2024 at Hotel Hyatt Regency, Kathmandu, Nepal.

It's being hosted by the Society of Anesthesiologists of Nepal and various dedicated committees are strenuously working to make it grand success.

The theme of the conference "Advances in Anesthesia" highlighting the various aspects of the anesthesiology and its developments and achievements. It will give an excellent opportunity for knowledge exchange among participants as this conference will be an interdisciplinary platform for the anesthesiologists, educators, practitioners and post-graduate students from Nepal and abroad to present and discuss the most recent innovations, trends of practice and concerns as well as practical challenges encountered and solutions adopted in the diversified field of anesthesiology.

The conference venue Hotel Hyatt Regency is adjacent to the Bouddhanath Stupa, a world famous Buddhist Monastery with close proximity to Tribhuvan International Airport.

I would like to humbly request for your active participation and extend my cordial welcome to all in making SANCON 2024 a successful and enriching experience.

Thank You So Much.

Prof. Amir Babu Shrestha, M.D.  
*Organizing Chairperson*

Dear Delegates  
Warm Greetings

I am pleased to extend welcome to each one of you all for the upcoming 23rd Annual Conference of Society of Anaesthesiologists of Nepal (SANCON), scheduled to be held on March 29-30, 2024 at Hyatt Regency, Kathmandu.

This Conference, themed "Advances in Anesthesia" provides a significant platform to unite anesthesiologists from around the globe under the same roof, facilitating discussions on advancements in various specialties of Anesthesiology. I am sure the attendees will find the discussion enlightening and the networking opportunities invaluable. I express my gratitude to each and every one of you who is contributing to the success of this conference. I eagerly anticipate seeing you all at the conference.

I hope the conference will prove to be a memorable and insightful experience for all participants.

Thank you very much.

**Prof. Dr. Ravi Ram Shrestha**  
*Scientific Committee Chairperson*

Respected Seniors, Dear Colleagues and Beloved Residents

Namaste and Welcome to SANCON 2024!

It's an honor for me to invite and welcome you all to the grand gathering of 23rd Annual Conference of Society of Anesthesiologists of Nepal (SANCON 2024) going to be held from 29th -30th March 2024 at Hotel Hyatt Regency in Kathmandu, Nepal.

The key highlights of this conference are based on the theme "Advances in Anaesthesia" which will create awareness and understanding of the latest advancements achieved in the fields of anesthesia, critical care and pain medicine through mix of lectures, pro and con debates, high yield sessions, how i do it sessions, and workshops delivered by experienced experts across the country and abroad. It will also provide the best platform for young anesthesiologists and residents to interact, experience, and grow their future careers. Prof Dr Roshana Amatya Oration will be another highlighted session. In addition, the anaesthesia residents will have the opportunity to compete for the best in the category of best oral presentation and best poster presentation.

I extend my sincere thanks to all the members of the organizing committee and also the members of scientific committee for their wholehearted support for the scientific events.

We look forward to meeting you in this productive scientific gathering and appreciate your efforts to ensure that it is a grand success.

Please do not hesitate to contact us for any further questions and/or information.
